Applicant reserves the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

The Japanese counterpart of the reference cited in this Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application. In particular, this reference was cited on January 8, 2008 in applicant's corresponding Japanese application No. 2003-411689.

initialed by the Examiner, be returned with the next communication.

Applicant understands that this patent is being cited after the mailing of a notice of allowance but before payment of the issue fee. Pursuant to 37 C.F.R. § 1.97(d), the Director is hereby authorized to charge \$180, in connection with this Supplemental Information Disclosure Statement, to Deposit Account No. 06-1075.
